

Wherever Your Job Takes You, Make Your Mobile Device Your Business Phone

Zultys MX Mobile application brings the award-winning Zultys system to iOS and Android devices. It allows remote and mobile employees to take care of their corporate communications while utilizing the same tools as their office-bound counterparts.

We bring significant cost savings for our customers by including our mobile app for free with every type of user bundle for every type of Zultys system. Let's get mobile with Zultys!

WORK ANYWHERE, FROM ANY DEVICE, WITH ANYBODY

Free Wi-Fi & 4G Calls

Use the built-in softphone to save costs on calls from anywhere in the world

Call Recording

Record what you want, when you want, where you want

Team Chat & Conference Calls

A single place for team collaboration

Call Groups

Optimize your call group workflow by getting operator, ACD, and other Agent calls in the office or on the go

SMS

Messaging
Communicate with clients and coworkers via text messages

MORE FEATURE HIGHLIGHTS:

- Browse voicemail messages and recordings from your inbox
- Advanced call controls: hold, park, attended and unattended transfer
- Mobile Presence and secure IM
- Mobile privacy (present office caller ID)
- Integrated Softphone
- Call alerts
- Corporate directory access
- Send and receive faxes
- On-demand Call Recording
- Secure user-to-user file transfer

When it comes to today's powerful communication tools, more and more people are using mobile devices. MX Mobile brings the agility that remote employees need to provide exceptional service.

Push or pull calls between MX Mobile, your desk phone, or your softphone when you leave or enter any location. Your caller won't even notice you switched devices mid-conversation.
